MOTORCYCLE AUDIO

For over 35 years Rockford Fosgate® has made lifestyle products that deliver the ultimate audio experience in cars, boats, and recreational vehicles. Rockford continues to be a leader in the audio industry by designing and engineering products to connect enthusiasts to their music and machine. Creating components that deliver high performance sound for the most demanding connoisseur is what drives Rockford to continually elevate the listening experience.

Truly a line designed by fanatics for fanatics, our motorcycle family of products are developed by the same people that use them in their everyday lives. Living the lifestyle and being able to interface with our customers gives our design and engineering groups a unique perspective to be able to deliver top quality products that perform to the Rockford Standard.

**WHETHER YOUR PURPOSE IS TO HAVE THE
BEST OF THE BEST OR TO SIMPLY UPGRADE
YOUR STOCK SET UP, ROCKFORD FOSGATE
PURPOSE BUILDS AUDIO FOR YOU. THE
POWER, PUNCH, AND PRIME SERIES ARE
LOADED WITH FEATURES TO HELP YOU
ACHIEVE THE AUDIO EXPERIENCE THAT
BEST SUITS YOU.**

P O W E R

□ The Power family of products is built using the highest grade of materials and components available. They are designed for those customers who want not only the best products, but the best sound possible from their audio systems. If you are a self-proclaimed Superuser of audio, then the Power family is for you. □

S E R I E S

P U N C H

□ The name that started it all, our PUNCH family of products represents the heart and soul that is Rockford Fosgate. Perfect for the person looking to build an amazing sound system without needing to break the bank to get it, the Punch line delivers that signature Rockford sound every day. □

S E R I E S

P R I M E

□ Whether you're new to audio or on a limited budget, the Prime family of products is a perfect choice for that first audio system. Designed with much of the same technology as its bigger siblings, the Prime line provides amazing sound quality and output at a no frills kind of price tag. □

ELEMENT READY®

EXPLAINED

Knowing your life isn't restricted to just your vehicle, Rockford has introduced a whole new line of "Element Ready" products. These products are built from high grade materials, and put through intense environmental testing. Whether cruising the asphalt on your motorcycle, hitting the trails in your UTV or relaxing on a sandbar enjoying the tunes from your boat, Rockford Fosgate's Element Ready™ products will ensure your music sounds as good as it does in your everyday ride.

400 WATT FRONT AUDIO KIT FOR HARLEY-DAVIDSON® 2015+ ROAD GLIDE® AND 2014+ STREET GLIDE®

With the update of the 2014+ Harley-Davidson® motorcycles, audio upgrades can be challenging. To overcome this, we now offer our front audio upgrade featuring a plug & play amplifier wiring kit, mounting brackets and a Power series small chassis, 4-Channel amplifier. The kit also features our new 6.5" direct fit speakers with 3 grille options. This allows you to quickly upgrade your audio from ho-hum to holy-cow with no modifications or compromises to the bike or its systems.

TM400X4ad

The Power TM400X4ad is an Element Ready™, 4-channel amplifier that packs some serious output in its compact design. The amp also features Rockford's C.L.E.A.N. technology, meaning it's easy to set up to maximize your sound. Even at full throttle, this amp delivers crank'd up clear sound at highway speeds.

PBR400X4D

This PBR400X4D Punch 4-channel amp packs plenty of power in its compact class-d design. Utilizing Rockford's C.L.E.A.N. technology, maximizing your sound is made easy. The small footprint of this amplifier allows for installation almost anywhere.

AMPLIFIERS

Packed with power, our amplifiers are specifically engineered to perform out in the elements. With a full line of compact chassis mono and multi-channel options, all of our amplifiers are equipped with features that put you in control of your audio experience.

- + CLEAN technology for a fast and accurate set-up*
- + Efficient design for minimal electrical impact
- + Compact size for maximum space savings
- + Dual Fan cooling design eliminates dangerous heat buildup*
- + Models ranging from 300 to 1000 watts

*On select models

SPEAKERS

Open air off-road environments are harsh and can be devastating to an audio speaker. That's why Rockford Fosgate designs its motorcycle speakers with materials and build techniques that withstand dust, dirt, water and UV. They deliver that crank'd up clear sound even at highway speeds.

- + Coaxial and tweeter options
- + High efficiency, high output design
- + Marine grade materials
- + Multiple sizes from 5.25" to 6"X9"

TMS57

If your Harley-Davidson® already comes with bag lids, but you are in need of more audio output, drop these Power TMS57 replacement speakers in. Factory connectors make the installation fast and easy. These speakers can also be amplified, if you demand that next level sound. Purpose built to stand up to the outdoor elements.

TMS69

Do you enjoy hitting the road but are tired of not enjoying your music because you can't hear it when riding? Then drop in these Power TMS69 low profile, 6X9's. Designed to not only deliver high output at highway speeds, these were also built to stand up to the elements, so no need to worry if you get caught in the rain.

PRODUCT HIGHLIGHT

RFKHD

If you need something a bit more custom for your Harley-Davidson®, our RFKHD amp kit gives you flexibility when installing our amps. With a mounting plate, heatsink, and wiring kit, you can easily add a compact Punch or Power series amplifier in your bike.

RFBTRCA

No source unit? Not a problem! This universal audio receiver allows you to stream music from your phone via Bluetooth. Pairing is made simple by the press of a button.

ACCESSORIES

Everything you need to hook it up right. From amp mounting plates to wiring harnesses and Bluetooth® streaming accessories, we have all the parts you need to get your tunes on the road.

Rockford Fosgate strives to deliver the best audio experience no matter what you drive. Visit: www.rockfordfosgate.com to learn about all the audio systems we provide.
